

Plant Information

Common Name: Adenorpha Fairy Bells
Scientific Name: Adenorpha bellissima
Plant Type: Perennial

Physical Characteristics

Height/Spread: 20-30 cm height, 20-25 cm spread
Growth Rate: Moderate
Flower Color(s): Pink, purple
Foliage Color(s): Green
Bloom Time: Spring

Plant Description

Adenorpha Fairy Bells, scientifically known as *Adenorpha bellissima*, is a charming perennial plant with pink and purple flowers that bloom in spring. This low-maintenance plant thrives in part shade and moderate watering conditions, making it a perfect addition to garden borders or containers. Its green foliage adds a touch of elegance to any garden, and its drought-tolerant nature makes it a resilient choice for various landscapes. Adenorpha Fairy Bells not only attracts pollinators but also resists most pests and diseases. Pair it with hostas, ferns, or astilbe for a visually appealing garden design.

Optimal Growing Requirements

Sun: Part Shade

Soil: Loamy, well-draining soil

Water: Moderate Watering

Hardiness Zone(s): Zone 4-7

Maintenance & Care

Maintenance Level: Low
Potential Pests & Diseases: Resistant to most pests and diseases

Additional Information

Special Features: Drought-tolerant, attracts pollinators
Common Uses: Border plant, container plant
