

Plant Information

Common Name: Baptisia Indigo Spires
Scientific Name: Baptisia australis 'Indigo Spires'
Plant Type: Perennials

Physical Characteristics

Height/Spread: 1-1.5 meters tall, 1-1.2 meters wide
Growth Rate: Moderate
Flower Color(s): Indigo-blue
Foliage Color(s): Blue-green
Bloom Time: Late spring to early summer

Plant Description

Baptisia Indigo Spires is a stunning perennial plant that adds a pop of indigo-blue color to the garden. Its attractive blue-green foliage serves as a beautiful backdrop for the eye-catching flowers that bloom in late spring to early summer. This plant is low maintenance, drought-tolerant, and attracts butterflies, making it a great addition to any garden. Plant it in full sun and well-drained soil for best results. Use it as a border plant or in mass plantings for a striking display. Pair it with companions like Nepeta 'Walker's Low' and Echinacea 'PowWow Wild Berry' for a harmonious garden arrangement.

Optimal Growing Requirements

Sun: Full Sun

Soil: Well-drained, loamy soil

Water: Low to Moderate Watering

Hardiness Zone(s): Zones 3-9

Maintenance & Care

Maintenance Level: Low
Potential Pests & Diseases: Generally pest and disease-free

Additional Information

Special Features: Drought-tolerant, attracts butterflies
Common Uses: Border plant, mass planting
