

Plant Information

Common Name: Blanket Flower
Scientific Name: Gaillardia Mesa Red A
Plant Type: Perennials

Physical Characteristics

Height/Spread: 30-45 cm tall, 30-45 cm wide
Growth Rate: Moderate
Flower Color(s): Red with yellow edges
Foliage Color(s): Green
Bloom Time: Summer to Fall

Plant Description

Gaillardia Mesa Red A, also known as Blanket Flower, is a stunning perennial plant that adds a burst of color to any garden. With vibrant red flowers edged in yellow and green foliage, this plant blooms from summer to fall, attracting butterflies with its nectar-rich blooms. Its drought-tolerant nature makes it perfect for low-maintenance landscapes, while its moderate growth rate ensures a steady display of beautiful flowers. Ideal for borders or as cut flowers, Gaillardia Mesa Red A thrives in full sun and well-drained soil. Pair it with Black-eyed Susan, Russian Sage, or Salvia for a stunning garden display.

Optimal Growing Requirements

Sun: Full Sun

Soil: Well-drained, Loamy Soil

Water: Low to Moderate Watering

Hardiness Zone(s): Zone 3-8

Maintenance & Care

Maintenance Level: Low
Potential Pests & Diseases: Susceptible to powdery mildew and aphids

Additional Information

Special Features: Drought-tolerant, attracts butterflies
Common Uses: Border plant, Cut flower
