Bloom Time: Spring

Plant Description

Easy Going Canadian Maple is a stunning tree with vibrant orange-red foliage in the fall. Its moderate growth rate and low maintenance requirements make it a popular choice for Canadian gardens. This tree thrives in full sun to part shade and is drought-tolerant once established. With its beautiful yellow-green flowers in spring and attractive green foliage in summer, Easy Going adds color and interest to any landscape. Plant it as a shade tree or a focal point for a striking visual impact. Consider pairing it with Pink Dogwood or Blue Spruce for a harmonious garden design.

Optimal Growing Requirements

Sun: Full Sun to Part Shade

Soil: Well-draining, fertile soil

Water: Moderate Watering

Hardiness Zone(s): Zone 3-5

Maintenance & Care

Maintenance Level: Low
Potential Pests & Diseases: Can be susceptible to aphids and scale insects

Additional Information

Special Features: Drought tolerant, beautiful fall foliage
Common Uses: Shade tree, focal point in landscape
