Plant Description

Bellis Habanera Mix, also known as English Daisy, is a charming perennial plant that blooms in various shades of pink, red, and white during the spring. Its dark green foliage provides an attractive backdrop for the colorful flowers, making it a perfect addition to borders, ground covers, or containers. With a moderate growth rate and low maintenance requirements, this plant is ideal for beginner gardeners. Bellis Habanera Mix thrives in well-drained, loamy soil and can withstand full sun to part shade conditions. Its fragrant flowers attract pollinators, adding a lively touch to any garden setting. Pair it with violas or primroses for a stunning floral display.

Optimal Growing Requirements

Sun: Full Sun to Part Shade

Soil: Well-drained, Loamy soil

Water: Moderate Watering

Hardiness Zone(s): Zone 4-9

Maintenance & Care

Maintenance Level: Low
Potential Pests & Diseases: Slugs, aphids

Additional Information

Special Features: Excellent for attracting pollinators
