

## Plant Information

Common Name: Forsythia Show Off  
Scientific Name: Forsythia x intermedia 'Mindor'  
Plant Type: Shrub

## Physical Characteristics

Height/Spread: 1.5-2 meters tall, 1.5-2 meters wide  
Growth Rate: Moderate  
Flower Color(s): Bright yellow  
Foliage Color(s): Dark green  
Bloom Time: Spring

## Plant Description

Forsythia Show Off is a stunning spring-flowering shrub that brightens up any garden with its vibrant yellow flowers. This hardy shrub requires minimal maintenance and is an excellent choice for borders or mass plantings. With its moderate growth rate and attractive dark green foliage, Forsythia Show Off is a popular choice for Canadian gardens in zones 4-8. Its early bloom time brings much-needed color to the garden after the long winter months. Pair this shrub with other spring-blooming bulbs like hyacinths, daffodils, and tulips for a beautiful seasonal display.

## Optimal Growing Requirements

Sun: Full Sun to Part Shade

Soil: Loamy, well-draining soil

Water: Moderate Watering

Hardiness Zone(s): Zones 4-8

## Maintenance & Care

Maintenance Level: Low  
Potential Pests & Diseases: Susceptible to aphids and leaf spots

## Additional Information

Special Features: Cold-hardy, early blooming  
Common Uses: Border plant, mass planting

## Notes
