Plant Description

The Golden Lights Azalea is a stunning shrub that brightens up any garden with its vibrant yellow flowers in the spring. This moderate-growing plant is perfect for adding color to shaded areas, attracting butterflies with its fragrant blooms. With moderate watering and well-draining soil, the Golden Lights Azalea is relatively easy to care for. Its green foliage provides an attractive backdrop for other plants, making it a great addition to woodland gardens or borders. Overall, this azalea is a beautiful and versatile choice for Canadian gardens looking to add a pop of color to the landscape.
