Bloom Time: Spring to Fall

## Plant Description

*Potentilla* f Happy Face Hearts is a charming perennial plant with a moderate growth rate. It features bright yellow flowers that bloom from spring to fall, contrasting beautifully with its green foliage. This low-maintenance plant is drought-tolerant and attracts pollinators, making it a lovely addition to any garden. Happy Face Hearts is perfect for borders, mass planting, or ground cover, and pairs well with companions like lavender, salvia, and coreopsis. With its resilience to pests and diseases, this potentilla is an excellent choice for Canadian gardens looking to add a touch of color and vibrancy.

## Optimal Growing Requirements

Sun: Full Sun

Soil: Well-drained

Water: Low to Moderate Watering

Hardiness Zone(s): Zone 3-5

## Maintenance & Care

Maintenance Level: Low  
Potential Pests & Diseases: Generally pest and disease resistant

## Additional Information

Special Features: Drought-tolerant, attracts pollinators  
Common Uses: Borders, mass planting, ground cover
