

Plant Information

Common Name: Lamium Silver Beacon
Scientific Name: Lamium maculatum "Silver Beacon"
Plant Type: Perennials

Physical Characteristics

Height/Spread: 15-30 cm tall and 30-60 cm wide
Growth Rate: Moderate
Flower Color(s): Pink
Foliage Color(s): Silver
Bloom Time: Spring to early summer

Plant Description

Lamium "Silver Beacon" is a low-maintenance perennial with stunning silver foliage and delicate pink flowers that bloom in the spring and early summer. This plant is perfect for adding a touch of color and texture to shady areas in the garden, as it thrives in part to full shade. Its deer-resistant and drought-tolerant qualities make it a popular choice for busy gardeners looking to enhance their landscape with minimal effort. Lamium "Silver Beacon" is a versatile plant that can be used as a ground cover or border plant, and pairs well with hostas, ferns, and astilbes in shaded garden beds.

Optimal Growing Requirements

Sun: Part shade to full shade

Soil: Well-drained, fertile soil

Water: Moderate watering

Hardiness Zone(s): Zone 3-8

Maintenance & Care

Maintenance Level: Low
Potential Pests & Diseases: Generally pest and disease resistant

Additional Information

Special Features: Deer resistant, drought tolerant
Common Uses: Ground cover, border plant
