Plant Description

Lobelia Starship Scarlet is a stunning annual plant with vibrant scarlet red flowers that bloom throughout the summer. This low-maintenance plant is perfect for adding a pop of color to borders, containers, or hanging baskets. Its attractive foliage and ability to attract butterflies and hummingbirds make it a must-have for any garden or landscape. Lobelia Starship Scarlet thrives in moderate watering and prefers full sun to part shade. Paired with companion plants like petunias and alyssum, this plant will create a beautiful and eye-catching display in your outdoor space.

Optimal Growing Requirements

Sun: Full Sun to Part Shade

Soil: Loamy, well-draining soil

Water: Moderate Watering

Hardiness Zone(s): Zones 1-8

Maintenance & Care

Maintenance Level: Low
