Plant Description

Iris Louisiana Blk Gamecock, also known as Louisiana Iris Black Gamecock, is a stunning perennial plant that features deep purple-black flowers in late spring to early summer. With a moderate growth rate and low maintenance level, this water-loving iris is perfect for pond edges, borders, and containers. Its green foliage complements the striking flower color, creating a beautiful contrast in any garden setting. Hardy in zones 4-9 and preferring moist, well-draining soil, this iris is sure to add a unique touch to your landscape. Consider planting it alongside spider lilies, cardinal flowers, or blue flag iris for a stunning display.

Optimal Growing Requirements

Sun: Full Sun to Part Shade

Soil: Moist, well-draining soil

Water: Moderate Watering

Hardiness Zone(s): Zones 4-9

Maintenance & Care

Maintenance Level: Low
