Bloom Time: Summer to Fall

Plant Description

Agastache Mango Tango is a vibrant perennial plant with orange flowers that bloom from summer to fall. This low-maintenance plant thrives in full sun and is drought-tolerant, making it perfect for borders or containers in Canadian gardens. Not only does it attract pollinators, but it also adds a pop of color with its green foliage. Pair it with cone flowers, lavender, or salvia for a beautiful and dynamic garden display. Agastache Mango Tango is a must-have plant for any Canadian garden looking to add a touch of tropical flair.

Optimal Growing Requirements

Sun: Full Sun

Soil: Well-draining, fertile soil

Water: Low to Moderate Watering
