Plant Description

Hibiscus 'Pink Chiffon' is a stunning shrub known for its large, pink blooms that add a tropical flair to any garden. With its moderate growth rate and moderate watering needs, this Hibiscus thrives in full sun and well-drained soil. Its green foliage provides a beautiful backdrop for the vibrant pink flowers that bloom in the summer, attracting hummingbirds and butterflies. Perfect for borders or containers, this Hibiscus adds a pop of color to any landscape and pairs well with plants like geraniums, lantana, and salvia. Enjoy the beauty of Pink Chiffon Hibiscus in your garden all season long.
