Bloom Time: Summer

Plant Description

Symphoricarpos Pinky Promise, also known as Pinky Promise Snowberry, is a charming shrub with pink flowers that bloom in the summer. Its green foliage complements the delicate blooms, making it a beautiful addition to any garden. This shrub is easy to care for, requiring only moderate watering and full sun to part shade. With its ability to attract birds and withstand drought conditions, *Symphoricarpos Pinky Promise* is a versatile plant suitable for borders or mass plantings. Pair it with coneflowers, bluebeard, or Russian sage for a stunning landscape design.

Optimal Growing Requirements

Sun: Full Sun, Part Shade

Water: Moderate Watering

Soil: Well-drained soil

Hardiness Zone(s): Zone 3-8

Maintenance & Care

Maintenance Level: Low
Potential Pests & Diseases: Generally pest and disease resistant

Additional Information

Special Features: Attracts birds, drought-tolerant
Common Uses: Border plant, mass planting
