Foliage Color(s): Silver with green veins
Bloom Time: Spring

Plant Description

Brunnera 'Jack Frost' is a charming perennial plant that adds a touch of elegance to any garden. Its heart-shaped silver leaves with green veins provide a lovely contrast to the delicate blue flowers that bloom in spring. This low-maintenance plant is deer resistant and thrives in part shade, making it an ideal choice for shady spots in the garden. Its moderate growth rate and easy care make it a favorite among gardeners looking to add a pop of color and texture to their landscape. Pair Brunnera 'Jack Frost' with hostas, heucheras, or pulmonarias for a beautiful and harmonious garden composition.

Optimal Growing Requirements

Sun: Part Shade

Soil: Well-drained, fertile soil

Water: Moderate Watering

Hardiness Zone(s): Zone 3-7

Maintenance & Care

Maintenance Level: Low
Potential Pests & Diseases: Slugs, snails

Additional Information

Special Features: Deer resistant
Common Uses: Ground cover, border plant
