Plant Description

Yukon Sun Marigold is a stunning annual plant that brightens up any garden with its vibrant yellow flowers. This fast-growing plant thrives in full sun and requires moderate watering. Its heat and drought tolerance make it perfect for Canadian climates. Yukon Sun Marigold is low maintenance and adds a pop of color to borders, containers, and edging. With its bright blooms and green foliage, this marigold attracts pollinators and adds cheer to any landscape. Pair it with companions like Verbena, Petunias, or Zinnias for a beautiful garden display.

Optimal Growing Requirements

Sun: Full Sun

Soil: Well-drained, fertile soil

Water: Moderate Watering

Hardiness Zone(s): Zone 2-4

Maintenance & Care

Maintenance Level: Low
